CATCH these characters . . . and the hidden gems when you see the show!

Meet Daniel Corban

Have you met Daniel? You should! Especially if you're young, good looking and RICH! Daniel's likes are: listening to classical music (very loudly!); hard liquor (lots!); smoking (constantly!); watering plants with good coffee (sad!); fast cars (yellow!) and fancy homes (borrowed!). It can safely be said his dislikes may include poison, needles, pills, guns, knives and . . . priests!

Daniel was a tried and true bachelor until just recently. But his new bride has gone missing . . . and on their honeymoon no less! Oh NO! With the help of the local police inspector, a deli owner and the above referenced priest, can the mystery of the missing bride be solved?

Who You Gonna Call?

Well, not Ghostbusters, that's for sure! You're gonna call Detective Levine! The self-proclaimed master of insurance fraud claims, Levine is called to the mountain chalet to solve the puzzle of the missing bride! Levine asks questions, makes notes, drinks coffee and thoroughly enjoys his favorite Sidney's Deli sandwich, all while Daniel Corban is spinning around the room, overwhelmed with worry for his wife. But things get REALLY interesting when the wife returns to the scene, but isn't the wife? Or is she? Levine walks a tight rope between the pair, attempting to separate fact from fiction, bride from groom and sanity from insanity.

Bless Me, Father, I'll NEVER confess . . .
to anything!

In need of spiritual guidance? A calm voice in turbulent times? A shoulder to cry on? The man on a mission to send you to your destiny from either a hospital bed or maybe even an insane asylum? Father Kelleher could be described as "still waters run deep" . . . VERY deep! Down, down, down. And very still. Very. Still. Enough said. Our Father will "floor" you! And you will be shocked how good bad can be!

Come be saved . . .

You Know the Honeymoon's Over . . .

when you disappear for 3 days only to return to the loving arms of your adoring husband . . . to find he denies you completely! Elizabeth, Daniel's not-so-long and no-longer-lost spouse returns to find his warm embrace more like his hands around her neck! What's a girl to do? Well, Elizabeth does have options: poison, knives, needles and even guns! But it's all in good fun . . . for HER!

You need to CATCH this madly devious performance!

Best Coffee in Town (and the sandwich ain't half bad either!)

If you plan to visit the Catskill Mountains, you **MUST** stop at Sidney's Deli where the owner himself, will brew you the best cup of coffee you've ever tasted (just ask him!). And he may even deliver it to your cabin in the mountains where he might just have a conversation with a moose head mounted on the wall! Sidney also knows his hair care products (and women) and can spot a "bottle blonde" a mile away, although he prefers a natural redhead. He has a grave dislike of women who prefer to make their own coffee "fresh" and is known far and wide for his special hand-made ketchup . . . it's a real killer!

Don't miss this treat of a show!

A Guy and His Doll . . .

Man About Town, Wolf in Sheep's Clothing and Major Player long before there was an internet for that sort of thing, Everett Parker is the owner of the fabulous cabin in the woods, where he brings a never-ending assortment of beautiful women for . . . well, you can guess. On this particular weekend, the gorgeous blonde bombshell is hungry for more than love and seems thrilled to be called "Mrs." if just for a day!

"Catch Me If You Can" has lots of bombshells to keep you guessing and thoroughly entertained . . . like the blonde, it's a **MUST SEE!**

You can **STILL** save money on Season Tickets but this deal ends May 16th . . . what a **GREAT IDEA** for **Mother's Day!** A pair of Season Tickets so you have **FOUR** automatic "dates" with your mom this year! She will **LOVE** that! Call Bob today!
