# Dr. Jekyll & Mr. Hyde

## We don't do horror often, but when we do, we do it right!

**Parental discretion advised for Ages 16 and older!**

We are proud to present, with our sponsors The Estate Planning Law Center and RE/MAX Foothill Properties, Jeffrey Hatcher's chilling adaptation of *Dr. Jekyll and Mr. Hyde*.

This fresh, modern retelling of Robert Louis Stevenson's classic gothic sci-fi horror seeks to evoke a visceral experience of the potential darkness that lies within every human heart.

In a bizarre experient to control humanity's baser instincts, Dr. Henry Jekyll discovers the terrifying darkness within himself. When the good Dr. Jekyll creates a mysterious tincture that brings his alter ego, Mr. Edward Hyde, a hedonistic and violent villain, into material reality in late 19th century London, he soon realizes he has unleashed something beyond his control. As Hyde develops an obsession with a young woman, Jekyll finds himself powerless to contain the beast within.

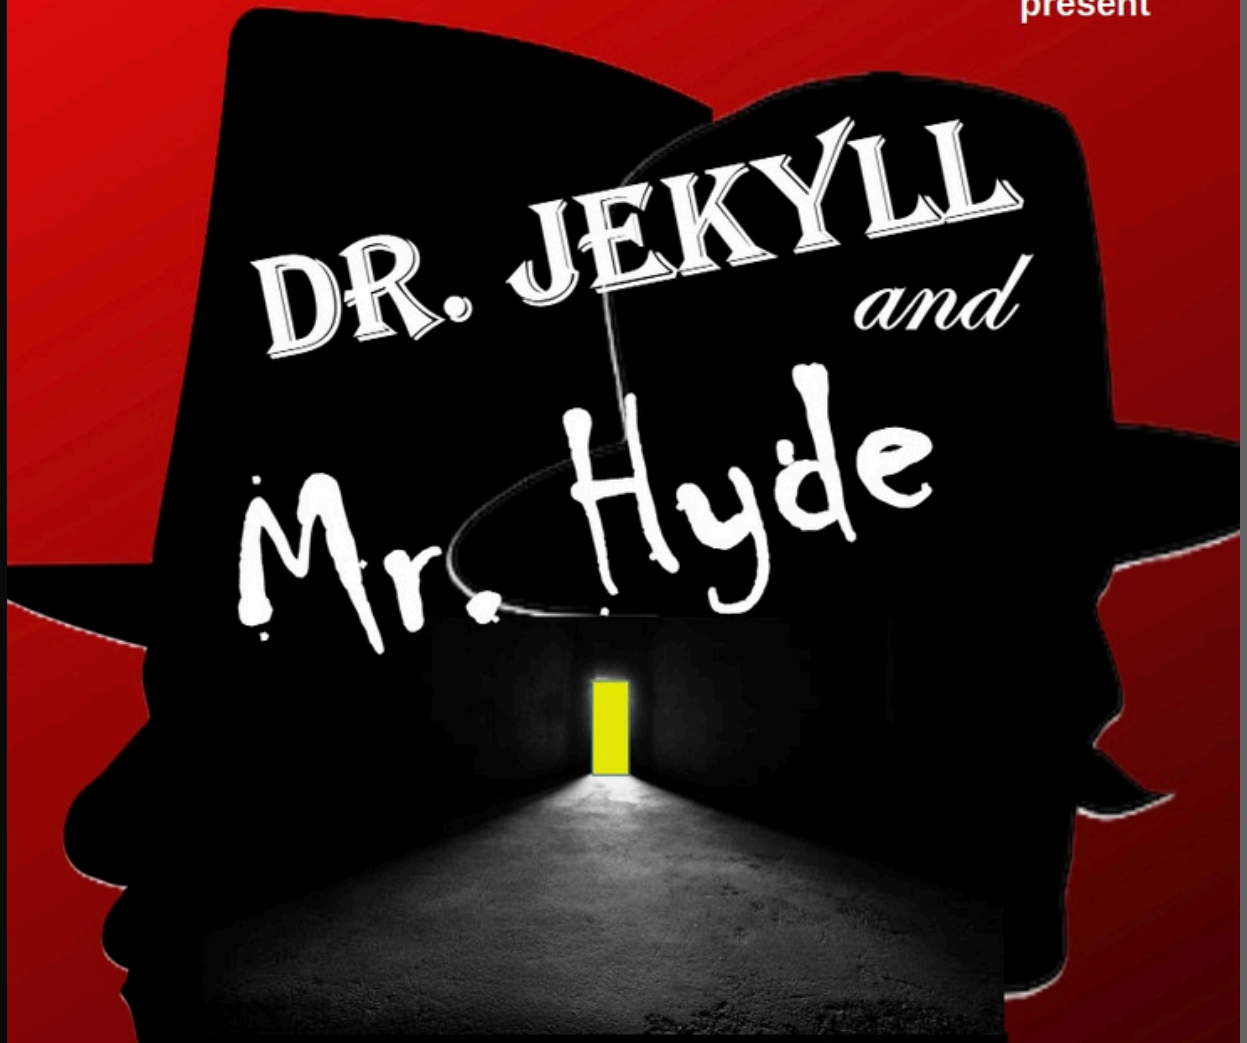

Both entertain and thought-provoking, this production is recommended for audiences ages 16 and older. Parental guidance is strongly advised dur to graphic descriptions of murder, references to rape and other forms of violence and allusions to nudity.

We look forward to transporting you to the fog-shrouded streets of Victorian London for an unforgettable evening of suspense, horror and tragedy. And we dare you to sit in the front row!
